The Language of Influence and Personal Power

"Your behaviors are you brand." What story are you telling? The Language of Influence & Personal Power is an anthology of actionable, thought provoking nuggets you can translate to every day life in business and personal interactions. It will leave an imprint on your mind, and impact the way you approach life, to direct your thoughts on leadership. In this book of quotes, author, Scott Hagan, shares insight of how to overcome obstacles and limitations we put on ourselves to live a life of positive influence. Every quote will leave you in anticipation for the next one, and linger with you long after you turn the page. Scott's teachings and writings on leadership have been used by executives of Fortune 500 companies, professional and college athletes and coaches, politicians, business leaders around the globe, members of the U.S Special Forces, and educators to inspire and influence today and tomorrow's leaders.

How to Increase Personal Power and Influence Others

"The Language of Influence is not presented in traditional book form by chapter titles, but is organized around 500 entries on life and leading. These entries are for personal reflection or team discussion on influence and leading. There is enough material on these pages to last you and your team a lifetime when it comes to sparking deeper conversations on leadership. This material has been presented all

over the world. It's been shared with both professional and college athletes and coaches, politicians, business champions, prison inmates, wardens and even with members of the U.S. Special Forces. Everyone always agrees; this material changed their ability to influence! The Language of Influence is one of the best tools out there to help you build and grow a positive team culture. Page after page is filled with helpful ways to get your team taking about how to grow their leadership and influence the right way!"

The Language of Influence

This revised edition provides additional proven techniques that allow an individual to increase their personal power and influence over those around them. The subject matter focuses on internal methodologies that enhance personal growth, external methodologies that enable influence over other people and solid concepts that can be used by anyone to create success in their personal and professional lives.

How to Increase Personal Power and Influence Others

In today's complex work world, things no longer get done simply because someone issues an order and someone else follows it. Most of us work in socially intricate organizations where we need the help not only of subordinates but of colleagues, superiors, and outsiders to accomplish our goals. This often leaves us in a "power gap" because we must depend on people over whom we have little or no explicit control. This is a book about how to bridge that gap: how to exercise the power and influence you need to get things done through others when your responsibilities exceed your formal authority. Full of original ideas and expert insights about how organizations—and the people in them—function, *Power and Influence* goes further, demonstrating that lower-level personnel also need strong leadership skills and interpersonal know-how to perform well. Kotter shows how you can develop sufficient resources of "unofficial" power and influence to achieve goals, steer clear of conflicts, foster creative team behavior, and gain the cooperation and support you need from subordinates, coworkers, superiors—even people outside your department or organization. He also shows how you can avoid the twin traps of naivete and cynicism when dealing with power relationships, and how to use your power without abusing it. *Power and Influence* is essential for top managers who need to overcome the infighting, foot-dragging, and politicking that can destroy both morale and profits; for middle managers who don't want their careers sidetracked by unproductive power struggles; for professionals hindered by bureaucratic obstacles and deadline delays; and for staff workers who have to "manage the boss." This is not a book for those who want to "grab" power for their own ends. But if you'd like to create smooth, responsive working relationships and increase your personal effectiveness on the job, Kotter can show you how—and make the dynamics of power work for you instead of against you.

Power and Influence

USE this step-by-step plan today and watch your life become a golden road to success as you begin to use your new-won POWER...INFLUENCE...and CONTROL OVER THE PEOPLE AROUND YOU! A classic in the Do-It-Yourself genre.

Twenty Steps To Power, Influence, And Control Over People

The authors of the classic *Influence Without Authority* explain the unique challenges of influencing powerful people. Learn to overcome your difficulties with a boss who is uninterested in your concerns, or resistant to giving needed support. Or discover how to win the cooperation of senior managers who are hard to reach, and hard to sell on your ideas, products, or services. In their classic book, *Influence Without Authority*, Allan Cohen and David Bradford provided a universal model of how to influence someone you don't control. *Influencing Up* applies those ideas to problematic bosses and other powerful people, with sophisticated tactics for building partnerships with them. If you're afraid of retaliation or just unclear as to how to change a senior person's behavior, don't stay paralyzed. *Influencing Up* gives you the tools to bridge the power gap. Offers practical advice about how to turn your relationship with your boss into a partnership in which both parties benefit. Explains what powerful people care about. Shows how to overcome power gaps by developing more partner-like relationships. Learn what a great partnership with your boss can do for your career—and your mental health!

Influencing Up

One of America's leading experts in linguistics explains how to develop successful, powerful, and effective communications tools, offering helpful advice on how to match the proper speaking style to any situation, from creating a greeting on an answering machine to commanding center stage during a corporate meeting. Reprint.

Power Talk

Inspiring communication can make the difference between poor performance and exceptional results. This is why CEOs and HR professionals now believe that the ability to understand, motivate and inspire others is the characteristic that is most important when recruiting senior leaders. Many leaders wrongly perceive they have to become inspired orators if they are to inspire others. Wrong. Language is a system of communication, so the issue is: what system should leaders use to inspire brilliant results? This is the question Kevin Murray answers in *The Language of Leaders*. Based on original interviews with an extraordinary list of more than 70 top leaders from a wide range of business and public sector organizations, this book provides a unique insight into how these leaders have responded to the demands of a transparent world. It reports on what they have learned and creates a lexicon for successful communication. The message from these leaders is resoundingly clear - communication is now one of the most crucial skills of leadership. Filled with actionable lessons and insights from leaders of high-profile organizations, *The Language of Leaders* is an invaluable book for anybody in a leadership position, or who aspires to lead.

The Language of Leaders

"Supreme Influence is a way of being and communicating with purpose, poise, precision and power. It is a practice that allows you to consciously create harmonious relationships and produce successful results in every area of life." Transform your language, transform your life! Niurka, a former Anthony Robbins corporate trainer, and popular transformational leader and communication expert, teaches us how to increase confidence, enrich relationships, transcend fears and achieve greater success – all by choosing language wisely. In this inspiring journey of discovery, Niurka shows us how shifting what we say and how we say it can forever alter the way we experience life and all its bounty. With practical and simple tools and techniques, this book guides us to expand our awareness, consciously direct our focus, and choose empowering thoughts and words, which ultimately will lead us all to a

greater appreciation of life no matter what's happening around us. As we actively participate in uplifting our imaginings and conversations, we elevate our entire experience of reality. On this journey, you will learn how to align your thoughts, focus, beliefs, body language, goals and vision with your purpose and authentic self. Most important, you will realize a deeper understanding of who you are and why you are here. Regardless of what you've experienced up until now, you can rapidly and often instantly transform challenges, realize your vision, and inspire others through your example. "No matter what you've experienced in life," Niurka writes, "your being is beyond any circumstance, the past, any story, or beliefs. Throughout this book, I share my own past and stories because they offer wisdom and can make a difference, but the specifics of my circumstances don't really matter. Who I Am is beyond every story. And so it is with you." From the Hardcover edition.

Supreme Influence

Channel Sanaya Roman presents Personal Power through Awareness, given to her by Orin, a timeless being of love and light. In the tradition of Jane Roberts, Esther Hicks, and Edgar Cayce, this wise and gentle spirit teacher offers an accelerated, step-by-step course in sensing energy. Using these easy-to-follow processes, thousands have learned to create immediate and profound changes in their lives and relationships. With the assistance of this bestselling classic, you can see immediate results in your life when you learn how to:

- Be aware of the unseen energy you are in and around.
- Listen to and take action on your intuition.
- Develop your telepathic abilities.
- Receive energy and light from your higher self, soul, and divine Self.
- Connect with your guides and inner teachers.
- Change your inner dialog and raise your vibration.

Your sensitivity is a gift! You can use the information in this book to:

- Become aware of the effect other people are having on you.
- Stay neutral around others.
- Stop being affected by other people's moods or negativity.
- Love who you are and express your truth.
- Learn when to pay attention to your own needs and when to be selfless.
- Stay centered and balanced.
- Increase the positive energy around you.

Personal Power through Awareness

Although much has been written about how to make better decisions, a decision by itself changes nothing. The big problem facing managers and their organizations today is one of implementation--how to get things done in a timely and effective way. Problems of implementation are really issues of how to influence behavior, change the course of events, overcome resistance, and get people to do things they would not otherwise do. In a word, power. Managing With Power provides an in-depth look at the role of power and influence in organizations. Pfeffer shows convincingly that its effective use is an essential component of strong leadership. With vivid examples, he makes a compelling case for the necessity of power in mobilizing the political support and resources to get things done in any organization. He provides an intriguing look at the personal attributes—such as flexibility, stamina, and a high tolerance for conflict—and the structural factors—such as control of resources, access to information, and formal authority—that can help managers advance organizational goals and achieve individual success.

Managing With Power

Make the Most of Your Opportunities to Build Others Up You don't need to be big or bold to impact those around you. By recognizing your ability to be a positive influence, you unlock your power to change lives for the better. With more than 3 million copies of his books in print, bestselling author Stan Toler is a trusted voice on leadership and making a difference. In The Power of Your Personal Impact, Stan examines how you can profoundly change the world you live in. This book will help you... develop a vision and purpose for your future discover ways to motivate others using kindness and compassion encourage people to achieve greatness in their own lives Your words, actions, and attitudes hold the strength to leave a lasting impression. The Power of Your Personal Impact will help you understand how to make the most of your gifts as you use them to inspire others.

The Power of Your Personal Impact

Janet O. Hagberg has written a dynamic book about power -real, personal power- for forward-looking people and organizations who want to harness their own power for the common good. "I wrote this book," says Hagberg, "to transform the way we think about power and leadership. It takes people on a journey beyond achievement and success to a stance in which power comes from their inner core and they lead from their souls." There is no doubt that the world is ready for a new model of leadership. In this third edition, Janet Hagberg addresses much that she has learned from her readers. The result is

a deepening of the descriptions of each stage, a new way to think about the dark side of each stage, new stories of each stage derived from her readers, a connection to the spirituality expressed at each stage, as well a description of "The Wall" between Stages Four and Five. Throughout the book, the author adds more of her personal story to illustrate her experiences and observations of each of the stages of power.

Real Power

Everyone, regardless of position or personality, can strengthen their presence. The Power of Presence shows how. When some people speak, everyone listens. When they need commitment to projects, others jump on board. They just seem to have that indescribable "presence"--a subtle magnetic field around them wherever they go that signals authority and authenticity and attracts disciples with ease. Wouldn't it be incredible if doors opened as effortlessly for you? How amazing would it be if you could command the room like they do? You don't have to wonder; you can make it happen! Filled with strategies, exercises, and personal stories from years spent coaching leaders, communications expert Kristi Hedges explains how to: Build relationships based on trust Rid yourself of limiting behaviors Embody the values you are trying to convey Explore how others see you and correct misperceptions Communicate in way that inspire The key is to cultivate the communication aptitude, mental attitude, and unique leadership style needed to connect with and motivate others. Everyone recognizes a commanding presence when they see it, and soon they'll see it in you!

The Power of Presence

The author shows the reader that the way to achieve power and influence is by fulfilling your potential and communicating your worth to the world. She explains what personal power is and suggests how you can develop it and use it to build your career, reputation and influence.

Words that Change Minds

In organizations today, getting work done requires political and collaborative skills. That's why the first edition of this book has been widely adopted as a guide for consultants, project leaders, staff experts, and anyone else who does not have direct authority but who is nevertheless accountable for results. In this revised edition, leadership gurus Allan Cohen and David Bradford explain how to get cooperation from those over whom you have no official authority by offering them help in the form of the "currencies" they value. This classic work, now revised and updated, gives you powerful techniques for cutting through interpersonal and interdepartmental barriers, and motivating people to lend you their support, time, and resources.

Personal Power

"True influence is earned, not demanded." Discover the secrets to achieving power and influence in both your personal and professional life with "Harnessing Power and Influence: A Practical Guide." This comprehensive resource offers proven strategies and techniques to help you become a more influential and respected individual in any setting. Influence Without Authority

The 18th conference of the Canadian Society for the Computational Study of Intelligence (CSCSI) continued the success of its predecessors. This set of papers reflects the diversity of the Canadian AI community and its international partners. AI 2005 attracted 135 high-quality submissions: 64 from Canada and 71 from around the world. Of these, eight were written in French. All submitted papers were thoroughly reviewed by at least three members of the Program Committee. A total of 30 contributions, accepted as long papers, and 19 as short papers are included in this volume. We invited three distinguished researchers to give talks about their current research interests: Eric Brill from Microsoft Research, Craig Boutilier from the University of Toronto, and Henry Krautz from the University of Washington. The organization of such a successful conference benefited from the collaboration of many individuals. Foremost, we would like to express our appreciation to the Program Committee members and external referees, who provided timely and significant reviews. To manage the submission and reviewing process we used the Paperdyne system, which was developed by Dirk Peters. We owe special thanks to Kellogg Booth and Tricia d'Entremont for handling the local arrangements and registration. We also thank Bruce Spencer and members of the CSCSI executive for all their efforts in making AI 2005 a successful conference.

Harnessing Power and Influence: A Practical Guide

HOW TO BE INFLUENCE

Advances in Artificial Intelligence

We've Got You Covered for your Organizational Behavior course. Wiley provides the most current content, comprehensive resources and flexible format options to help teachers teach and students learn. Our commitment to Currency, Global Issues, Sustainability and Learning Outcomes translates into a suite of teaching and learning options that seamlessly integrate into your management courses. Organizational Behavior 12e connects OB concepts with applications and is the clearest, most current and applicable OB text today - helping students understand how they can thrive in the world of work. Through experiential exercises and activities that ask students to evaluate themselves as leaders and colleagues, students are encouraged to reflect, grow and understand how they can contribute their professional and social environments. Known for sound pedagogy, research, and a rich framework of personal and organizational skills, OB 12e presents students with a full portfolio of concepts and applications. In addition, the 12th Edition continues to emphasize global business issues important for future generations, including ethics, leadership, and sustainability.

How To Read Body Language Exposed!

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history

of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

How to Influence People

An arsenal of powerful questions that will transform every conversation Skillfully redefine problems. Make an immediate connection with anyone. Rapidly determine if a client is ready to buy. Access the deepest dreams of others. *Power Questions* sets out a series of strategic questions that will help you win new business and dramatically deepen your professional and personal relationships. The book showcases thirty-five riveting, real conversations with CEOs, billionaires, clients, colleagues, and friends. Each story illustrates the extraordinary power and impact of a thought-provoking, incisive power question. To help readers navigate a variety of professional challenges, over 200 additional, thought-provoking questions are also summarized at the end of the book. In *Power Questions* you'll discover: The question that stopped an angry executive in his tracks The sales question CEOs expect you to ask versus the questions they want you to ask The question that will radically refocus any meeting The penetrating question that can transform a friend or colleague's life A simple question that helped restore a marriage When you use power questions, you magnify your professional and personal influence, create intimate connections with others, and drive to the true heart of the issue every time.

The 48 Laws of Power

Ms. Zuker's unique theory of the "Secrets of Influence" is the result of studying the Influence Strategies of hundreds of managers and executives in companies in the U.S., Canada and internationally. Combining academic discipline with her years of practical business experience, she created the unique "Secrets of Influence Styles Inventory" and her elegant but simple step-by-step system for building on one's existing Influence skills and formulating a personal Influence Strategy (details of the statistical studies are in the appendix of the eBook). This highly practical guide, filled with realistic advice on succeeding in today's unpredictable business and social climates, enables the reader to learn the skills needed to persuade the boss to try a new idea or approach, to influence subordinates to work together more productively, or to induce a school or community group to adopt - or defeat - a proposal. Identifying and explaining the basic influence styles, the author tells how to determine one's natural style and, even more important, how to develop better "radar" to detect the influence styles of others. Understanding that we all must interact with many different types of people in both business and social settings, in addition to the new media we are all using, these techniques allow us to exert more influence in all our relationships. Given such realities, Zuker demonstrates which style is most effective for accomplishing varying goals: creating a common vision, establishing trust, fostering an atmosphere conducive to an open exchange of ideas or a rational discussion of hard data, encouraging creative and innovative solutions to problems, or motivating unimaginative or recalcitrant people. *The Seven Secrets of Influence* is filled with vital information on such topics as how to use verbal and nonverbal clues to create instant rapport, gain credibility with others, motivate cautious people, overcome the problems caused by overlapping or unclear authority, and gain the support of key decision makers for important projects Powerful and practical, this eBook is essential reading for any manager or communicator in today's tough business climate.

Power Questions

Presented here in its original 12-volume series, the *Personal Power Books* are a set of self-help books designed to be carefully studied to develop personal power. In the Foreword to Volume I, personal power is defined as "The ability of strength possessed by the human individual, by which he does, or may, accomplish desired results in an efficient manner, along the lines of physical, mental, and spiritual effort and endeavor." In other words, these books describe the methods to attaining control and power in your own life, whether it be financial, physical, mental, or emotional--certainly a worthy goal for any individual. Volume VIII discusses the nature and definition of thought, thought waves and forms, thought induction, attraction, and contagion, as well as methods of applying and using thought power. American writer WILLIAM WALKER ATKINSON (1862-1932) was editor of the popular magazine *New Thought*

from 1901 to 1905 and editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books under numerous pseudonyms, including the name "Yogi," some of which are likely still unknown today.

The 7 Secrets of Influence

Master the Art of Persuasion, Develop Rich Relationships, Influence Others to Do What You Want and Turbo-charge Your Career and Life! If you want to succeed in life or career; regardless of your industry, profession (not just marketing or sales profession), location, age, gender or any other aspect, you need to become more persuasive, you need to influence people. You cannot do it all on your own - you need people to leverage your efforts and get results faster. Persuasion is not merely for marketing and sales people - it's the basic life skill that every human being needs to sell their view point, ideas and get people along- everyone is into salesmanship. If you ever struggled in getting others on your side; if you think people don't pay attention to your logics and arguments; if your voice goes unheard - it means you lack basic persuasion skills. It means you need to learn this skill of persuasion. If you have always doubted whether persuasion is for you and therefore avoided learning and applying this life-changing skills, then you are already moving in the right direction. THE POWER OF PERSUASION will bust all your misconceptions about whether you need persuasion and what role it plays in your life. This is your essential guide to get started and will teach you how to persuade others, learn how to influence people and make friends, and leverage the power of people to get things done in lesser time. THE POWER OF PERSUASION will teach you: How persuasion is different from manipulation and why you need to become more persuasive in every area of your life. What exactly you gain if you know how to influence and how badly you suffer if you are totally unpersuasive. Learn the 7 key Steps to mastering the art of persuasion. 90% of human to human communication is nonverbal. Understand and master the body language principles and convince others through an effective posturing. Master the key signals your need to send for maximum persuasion. 8 practical approaches to make people comfortable being around you and how to effectively initiate and lead conversation to rewarding results. Effective storytelling techniques to instantly build rapport and trust with someone and transform them into your fans. People do business with people they like - understand the science of likeability and what to do and what to avoid to become more likeable. Learn the tips and tricks to use social proof to your advantage. And Much more. THE POWER OF PERSUASION doesn't merely regurgitates some already available material available in sales or marketing books, rather it supports its analysis with proper scientific and psychological studies about human behaviour and psychology. If you are really keen to master negotiation skills to your advantage (without manipulating); if you want to build rich personal and professional relationships; if you want to deliver the best through leveraging the power of people, and get best results- you must learn this life-changing skill. You must learn the art of persuasion. Go Ahead and Grab The Power Of Persuasion Today, Negotiate Smarter and Influence Others to Do What You Want.

Personal Power Books

Transforming Education challenges the current global orthodoxy that 'educational transformation' can be achieved through a step-by-step implementation of centralised, performance-based strategies for school improvement. Complex responsive processes theory is utilised in an original way to critique leadership myths and explore the alternative, deeper meanings of educational transformation. The theory opens up new forms of understanding about how ordinary practitioners negotiate the meanings of 'improvement' in their everyday practice. It is in the gap between the emergence of these local interactions and the predetermined designs of policy-makers that educational transformation can be lost or found. This book is an essential read for education professionals and students interested in the fields of complexity, education policy, leadership and management.

The Power of Persuasion

This eBook edition of "Personal Power" has been formatted to the highest digital standards and adjusted for readability on all devices. Personal Power - Your Master Self Creative Power - Your Constructive Forces Desire Power - Your Energizing Forces Faith Power - Your Inspirational Forces Will Power - Your Dynamic Forces Subconscious Power - Your Secret Forces Spiritual Power - The Infinite Fount Thought Power - Radio-Mentalism Perceptive Power - The Art of Observation Reasoning Power - Practical Logic Character Power - Positive Individuality Regenerative Power or Vital Rejuvenation This book is devoted to the subject of the development, cultivation and manifestation of Personal Power— Personal Power

in all its phases, aspects and modes of manifestation and expression. "Personal Power," as understood and taught in this book, may be defined as: "The ability or strength possessed by the human individual, by which he does, or may, accomplish desired results in an efficient manner, along the lines of physical, mental, and spiritual effort and endeavor." William Walker Atkinson (1862-1932) was a prolific writer. His works treat themes related to the mental world, occultism, divination, psychic reality, and mankind's nature.

Transforming Education

Whatever you do in life, whatever you hope to achieve, Brilliant Influence will help you get there – with the power of influence. It shows you how to build the support, trust and respect you need to propel your life forwards to take on challenge after challenge. Based on over twenty years of influencing experience, the author combines psychological principles with case studies and examples to show you how to: - Use body language and appearance to establish instant rapport. - Select words to gain lasting trust and respect. - Understand how people make decisions so you get a 'yes', every time. - Know how to apply a 'win-win' negotiation approach, so you never lose. Subject Guide to Books in Print

Discover and fulfill your God-given purpose by joining the more than thirty-five million others who have embarked on a spiritual journey that started with this #1 New York Times bestselling book by Pastor Rick Warren. Before you were born, God knew what your life had in store for you. His hope for you is to discover the life he created just for you--both here on earth, and forever in eternity. Let Rick Warren guide you as you learn to live out your true purpose. The Purpose Driven Life is more than a book; it's a road map for your spiritual journey. Combining thoughtful verses from Scripture with timely stories and perspectives from Warren's own life, The Purpose Driven Life will help you discover the answer to one of life's most important questions: What on earth am I here for? Throughout The Purpose Driven Life, Warren will teach you to spend time getting to know yourself and your creator in order to live your life to the fullest. Unlocking your true purpose will also reduce your stress, simplify your decisions, increase your satisfaction, and, most importantly, prepare you for eternity. Designed to be read over the course of forty-two days, The Purpose Driven Life will help you see the big picture, giving you a fresh perspective on the way that the pieces of your life fit together. Every chapter of The Purpose Driven Life provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Each copy of The Purpose Driven Life also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.

Books in Print

Developing a friendship with God may be the starting point for the spiritual journey, but how can that important internal relationship move us to make an impact on—and even transform—the world around us? In *Changed Heart, Changed World*, renowned spiritual director William A. Barry, SJ, delves into such topics as how friendship with God impacts our role in society, how to see forgiveness as a way of life, and how compassion can make its mark on the world. Throughout the book, Fr. Barry provides many practical ways to integrate the inner life, where we experience a relationship with God, with the outer life, where we live in relationship with our world. Above all else, *Changed Heart, Changed World* reminds us that God has a dream for his creation here and now—a dream that can only be realized by our becoming “other Christs in this world.”

Paperbound Books in Print

Daily meditations taken from the works of an acclaimed novelist, essayist, and preacher who has articulated what he sees with a freshness and clarity and energy that hails our stultified imaginations.

Paperbound Books in Print 1995

TONY ANTHONY knew no fear. Three-times World Kung Fu Champion, he was self-assured, powerful and at the pinnacle of his art. An extraordinary career awaited him. Working in the higher echelons of close protection security, he travelled the globe, guarding some of the world's wealthiest, most

powerful, and influential people. This fast paced, compelling and, at times, chilling account is Tony's deeply moving true story. More extraordinary than fantasy, more remarkable than fiction, this block-busting read almost defies belief. With fascinating insight into China's martial arts, and the knife-edge adrenaline highs of the bodyguard lifestyle, it documents the personal tragedy that turned a 'disciple of enlightenment' into a bloodthirsty, violent man. From the depths of hell in Cyprus's notorious Nicosia Central Prison, all might have been lost, but for the visits of a stranger. Translated into 40 languages and more than 2 million copies sold worldwide.

Books in Print Supplement

Contributors from richly diverse backgrounds explore a wide range of current issues concerning the interrelationship of religion and film.

Journey of Love

Whether the issue of the day on Twitter, Facebook, or cable news is our sexuality, political divides, or the perceived conflict between faith and science, today's media pushes each one of us into a frustrating clash between two opposing sides. Polarizing, us-against-them discussions divide us and distract us from thinking clearly and communicating lovingly with others. Scott Sauls, like many of us, is weary of the bickering and is seeking a way of truth and beauty through the conflicts. *Jesus Outside the Lines* presents Jesus as this way. Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray. Jesus offers us a way forward—away from harshness, caricatures, and stereotypes. In *Jesus Outside the Lines*, you will experience a fresh perspective of Jesus, who will not (and should not) fit into the sides.

Notes and Queries

How do we foster a friendship with God and remain in it forever? It's a difficult enough proposition for many people to believe that God—eternal, unchanging, all-knowing—could actually desire a relationship with them. But once they've accepted the premise that God indeed does want their friendship, it can be even more challenging to think about how to actually engage in that friendship, foster it, and remain anchored in it when life's storms toss them about. In *Here's My Heart, Here's My Hand*, veteran spiritual director William A. Barry, SJ, helps us understand how we can experience a personal, lasting relationship with God and what effects that close relationship will have on our lives. Written in a warm, conversational tone, this book is a collection of nearly twenty of the finest previously published articles Fr. Barry has written on the subject of friendship with God. The selections are diverse in their overall themes—from discerning God's will for our lives to forgiving as Jesus forgives—but each one shares the common thread of helping us see prayer as the way to a conscious, lifelong relationship with God.

Bulletin of the Atomic Scientists

Our God is an English translation of Hamara Khuda written by Hazrat Mirza Bashir Ahmad (ra), M. A. in the prime of his youth. The book was written largely for the youth who were being swept by the onslaught of atheist literature. It is as relevant today as then; rather more so. The book mainly addresses the issue

of Existence of God from the point of view of rational arguments. It furnishes cogent reasons as to why we cannot see God. The beauty of God lies in His being Hidden from our physical eyes, and yet being apparent to us through his creation and revelation. The universe, human nature, morality, universal acceptance of God, supremacy of Prophets and testimony of the righteous are the bases on which the author successfully develops the arguments for the existence of God. For a reflective mind everything in the world points to God. Even the smallest constituent of the universe presents an unfathomable puzzle for the human mind. The Christian church was, and continues to be, mainly responsible for advancing a totally false and absurd view that there is fundamental contradiction between science and religion. The Holy Quran and the Holy Prophet (sa) categorically reject this view. The author deals with the issue comprehensively and shows that there is not, and cannot be, a contradiction between science and religion. Next, the writer deals with advantages of belief in God; it brings about unity, dissuades from evil, encourages to do good, helps to understand the nature of things and brings about true satisfaction and contentment. Seven main Atheistic arguments are successfully refuted by very powerful arguments. Lastly, a comparison is made between drawbacks of Communism—which is considered to be a branch of Atheism—and advantages of economic system of Islam.

The Greatest Gothic Classics of All Time

The Greatest Gothic Classics

The Bible is full of miracles. Yet how do we make sense of them today? And where might we see miracles in our own lives? In this installment of the Hansen Lectureship series, historian and theologian Timothy Larsen considers the legacy of George MacDonald, the Victorian Scottish author and minister who is best known for his pioneering fantasy literature, which influenced authors such as C. S. Lewis, J. R. R. Tolkien, G. K. Chesterton, and Madeleine L'Engle. Larsen explores how, throughout his life and writings, MacDonald sought to counteract skepticism, unbelief, naturalism, and materialism and to herald instead the reality of the miraculous, the supernatural, the wondrous, and the realm of the spirit. Based on the annual lecture series hosted at Wheaton College's Marion E. Wade Center, volumes in the Hansen Lectureship Series reflect on the imaginative work and lasting influence of seven British authors: Owen Barfield, G. K. Chesterton, C. S. Lewis, George MacDonald, Dorothy L. Sayers, J. R. R. Tolkien, and Charles Williams.

60 GOTHIC CLASSICS - Boxed Set: Dark Fantasy Novels, Supernatural Mysteries, Horror Tales & Gothic Romances

Award-winning songwriter and pioneering guitarist Bruce Cockburn has been shaped by politics, protest, romance, and spiritual discovery. He has toured the globe, visiting far-flung places such as Guatemala, Mali, Mozambique, Afghanistan, and Nepal, performing and speaking out on diverse issues from native rights and land mines to the environment and Third World debt. His journeys have been reflected in his music and evolving styles: folk, jazz, blues, rock, and world beat. Drawing from his experiences, he continues to create memorable songs about his ever-expanding universe of wonders. As an artist with thirty-one albums, Cockburn has won numerous awards and the devotion of legions

of fans across America and his native Canada. Yet the man himself has remained a mystery. In this memoir, Cockburn invites us into his private world and takes us on a lively cultural and musical tour through the late twentieth century, sharing his Christian convictions, his personal relationships, and the social and political activism that has defined him and has both invigorated and incited his fans.

60 Gothic Classics

Despair and uncertainty surround us: in the news, in our families, and in ourselves. But even when life is at its bleakest, Anne Lamott shows how we can rediscover the hope and wisdom that are buried within us and that can make life sweeter than we ever imagined. Divided into short chapters that explore life's essential truths, *Almost Everything* pinpoints these moments of insight and, with warmth and humour, offers a path forward.

Here's My Heart, Here's My Hand

In this first extensive Jungian treatment of Milton's major poems, James P. Driscoll uses archetypal psychology to explore Milton's great themes of God, man, woman, and evil and offers readers deepened understanding of Jung's profound thoughts on Godhead. The Father, the Son, Satan, Messiah, Samson, Adam, and Eve gain new dimensions of meaning as their stories become epiphanies of the archetypes of Godhead. God and Satan of *Paradise Lost* are seen as the ego and the shadow of a single unfolding personality whose anima is the Holy Spirit and Milton's muse. Samson carries the Yahweh archetype examined by Jung in *Answer to Job*, and Messiah and Satan in *Paradise Regained* embody the hostile brothers archetype. Anima, animus and the individuation drive underlie the psychodynamics of Adam and Eve's fall. Driscoll draws on his critical acumen and scholarly knowledge of Renaissance literature to shed new light on Jung's psychology of religion. The Unfolding God of Jung and Milton illumines Jung's heterodox notion of Godhead as a quarternity rather than a trinity, his revolutionary concept of a divine individuation process, his radical solution to the problem of evil, and his wrestling with the feminine in Godhead. The book's glossary of Jungian terms, written for literary critics and theologians rather than clinicians, is exceptionally detailed and insightful. Beyond enriching our understanding of Jung and Milton, Driscoll's discussion contributes to theodicy, to process theology, and to the study of myths and archetypes in literature.

Into Eternal Darkness: 100+ Gothic Classics in One Edition

The New World

Returning to the rails fifteen years after the childhood trauma that haunts him, young Lynden Hoover gets help from The Duke, an old hobo who calls America's landscape his home, adheres to an honor code, but is fleeing Short Arm, his merciless enemy. The Duke mentors Lynden, enlisting old Knights of the Road to keep himself and his apprentice safe. When Short Arm murders two of them, the stakes suddenly escalate to life or death.

A morte pode esperar

O autor sobreviveu à morte tantas vezes, que deixaria um gato com inveja. Seu relato concentra-se principalmente em sua juventude, que o transformou no aventureiro e sobrevivente que é hoje. Abandonado à sua própria sorte durante a ditadura no Brasil em meados dos anos 1970, aos 19 anos, o autor inicia suas viagens pelo mundo sem um tostão. Ao todo, Nuremberg Sant'Anna conheceu 35 países e viveu em 3 continentes como imigrante. O autor acredita que esta mensagem é mais

necessária do que nunca na era de COVID-19, pois muitos estão enfrentando a perda de entes queridos, e até mesmo de suas próprias vidas.

Certas Incertezas

Palavras que expressam sentimentos. Sentimentos permeados de dúvidas. O livro “Certas incertezas”, escrito ora com veia poética, ora com os pés no chão, procura espiar os sentimentos humanos, em especial os da autora. Sem pretensão didática, “Certas incertezas” não aborda nenhuma teoria, conceitos ou ensinamentos. São crônicas da vida e para vida, escritas até a última linha com a essência e a voracidade de quem sente e vive suas dúvidas e afinações do amor, da solidão, do afeto, da tristeza, nem sempre levando a sério o roteiro traçado pela humanidade. A autora constrói e desconstrói seu mundo nos textos, descrevendo seus devaneios, suas fantasias, quase sempre na primeira pessoa, e viaja tentando fazer desse percurso uma via de esperança, com delicadeza e afeto. Com seus tons completos ou meio tom, esta obra pretende criar identidade com o leitor por meio dos sentimentos descritos de uma forma singular, sobretudo porque é uma fala íntima, que indaga sobre o coração e a alma.

As 325 Mensagens De Sabedoria De Vida Da Internet... Que Você Não Deveria Deletar!

O livro fala sobre a importância de se adotar uma filosofia de vida com sabedoria. Todos nós, cientes ou não, adotamos uma filosofia de vida que norteia o nosso modo de ser e de agir, elaborada ao longo de nossa vida. E esta nossa filosofia de vida particular integra-se à nossa personalidade e ao nosso comportamento perante a realidade que vivemos, determinando a forma que optamos viver a vida no mundo que nos cerca. Sabedoria de vida é a arte de percorrer a vida em todas suas nuances e cores do modo mais agradável e feliz possível. Uma característica muito forte do ser humano é dividir com os demais membros do grupo os seus conhecimentos e experiências, bem ou mal sucedidas. E esta é uma grande fonte de se adquirir sabedoria de vida! Neste livro estão registradas 325 mensagens importantes que somam para o aprimoramento de Sabedoria de Vida. Muitas pessoas não têm o tempo necessário para ‘degustar’ uma mensagem recebida e filosofar sobre o seu conteúdo. Não raras vezes, simplesmente deletam as mensagens recebidas sem lê-las. Com este livro, estas pessoas terão a oportunidade de ‘abrir’ as mensagens no tempo e lugar que lhes forem mais convenientes, aproveitando, assim, este extraordinário recurso antes desprezado. O livro faz, igualmente, uma pequena incursão sobre a importância das fábulas e ditados populares para o enriquecimento de nossa sabedoria de vida.

Confissões de uma numeração especial

Mesmo com a democratização da moda, a numeração especial ainda é um assunto pouco explorado. Mulheres que calçam abaixo de 34 ou acima de 40 podem enfrentar grandes dificuldades para encontrar um sapato adequado. Mais que a busca por um calçado, Confissões de uma numeração especial fala sobre os paradigmas que rondam mulheres altas e magras. Tudo veste bem? Não tem problemas com o corpo? É feliz o tempo todo? Não pode reclamar de nada? Quem disse isso?

O Despertar da Vida Afetiva Saudável aos 81 anos com Alzheimer - Um Olhar de dentro para fora

Revelo com paixão, respeito e empatia os segredos de Maria. Ela deixou-nos sinais de que talvez seja possível mudar o rumo das vivências quotidianas e prevenir a mais terrível das doenças psiconeurológica: Alzheimer. Foram três anos e meio de intensas vivências e pesquisas na tentativa de melhorar a qualidade de vida de Maria, cuja recompensa foi um: Muito obrigada, nas palavras dela. Um olhar para dentro muda a perspectivas de fora, rever hábitos, atitudes e como gere afetos é o caminhos para a saúde afetiva. Apresento este livro como uma obra-prima, um portal para a vida em idade avançada vibrante e lúcida. Caro leitor, o que faria se soubesse que existe um caminho para refrear as disfunções psíquicas e afetivas? E porque não viver uma vida longa alegre, divertida e saudável?

Não comi, não rezei, mas me amei

Autoestima é como tanque de combustível do carro. Se a gente não presta atenção no nível, se não se abastece de atenção, de carinho, de coisas boas, ela acaba. E deixa a gente perdida nessa longa estrada da vida. Por isso é bom estar sempre de olho. A divertida autora Gisela Rao se propôs a vigiar a própria autoestima por 365 dias, e seu relato é uma inspiração para o nosso dia a dia. Sem

moralismos, sem soluções mágicas, mas com muita inteligência e bom humor, esta obra vai fazer você repensar seu modo de ser e de enxergar o mundo.

Já te disse adeus e, agora, como te esqueço?

Enfrente a perda amorosa de cabeça erguida e saia dessa com mais amor pela pessoa que realmente importa: você! Neste novo livro, Walter Riso examina o luto afetivo, suas características, etapas e armadilhas correntes, e como fazer para tornar mais leve esse processo. Com toda sua experiência de terapeuta cognitivo, ele dá dicas para que se possa transformar este sofrimento atroz em algo útil. Afinal, uma separação é uma crise, e todas as crises também significam novas oportunidades.

De Todas as Maneiras de Amar!

A história de amor entre Enrico e Marina começou muito antes do encontro inesperado na pequena livraria no Soho, em uma tarde fria de Nova York. Um amor incondicional que nasceu quando segurou aquela bebê nos braços pela primeira vez e se encantou com seus olhos, durante o parto prematuro no meio da sala de seus melhores amigos desde a faculdade, em uma tarde de domingo, enquanto Wilson Simonal cantava alegremente na vitrola. Um amor doce que cresceu cada vez que a segurava em seu colo, que sentia a gargalhada contagiante daquela menina linda e levada, rolando pelo chão com brincadeiras de luta e cambalhotas. O amor infinito que brilhava em seus olhos quando ouvia orgulhoso sobre as conquistas escolares da pré-adolescente magrela de pernas longas que adorava correr, pular e contar histórias. Um amor que se tornou triste quando foi simplesmente esquecido, depois de um momento de uma grande perda e muita dor, para todos. Ele a amava tanto e apenas a abandonou, fugindo de si mesmo, escondendo-se da própria vida, quando pensou que não aguentaria o sofrimento. Agora, 17 anos depois, ali estavam eles, frente a frente novamente, redescobrimo o amor, não mais puro e ingênuo, mas ardente e prazeroso, durante uma semana incrível na linda Nova York. Marina o amava novamente, o "tio Enrico" que um dia embalou seu sono com uma cantiga de ninar sussurrada com doçura, agora tocava seu corpo e gemia em seu ouvido palavras indecentes. Tudo seria perfeito novamente, se não fosse por um detalhe: ele não a reconheceu, e ela não contou quem era. Não pretendia enganá-lo, queria apenas voltar a ser uma doce lembrança em sua vida, não tinha ideia de que ele já estava decidido a voltar ao Brasil quando tudo começou. Enrico declarava sua paixão e se entregava completamente aos planos de retornar ao seu país, voltar ao convívio de seus melhores amigos e à esperança de viver uma linda história de amor com ela, sem ter ideia de que já vivia essa relação há quase 30 anos.

Sea Witch Rising

"The Little Mermaid" takes a twisted turn in this thrilling sequel to villainess origin story Sea Witch, as the forces of land and sea clash in an epic battle for freedom, redemption, and true love. Runa will not let her twin sister die. Alia traded her voice to the Sea Witch for a shot at happiness with a prince who doesn't love her. And his rejection will literally kill her—unless Runa intervenes. Under the sea, Evie craves her own freedom—but liberation from her role as Sea Witch will require an exchange she may not be willing to make. With their hearts' desires at odds, what will Runa and Evie be willing to sacrifice to save their worlds? Told from alternating perspectives, this epic fairy tale retelling is a romantic and heart-wrenching story about the complications of sisterhood, the uncompromising nature of magic, and the cost of redemption.

Eco dos Livros Antigos

Um par de livros misteriosos. Um romance condenado. Os ecos de um amor que nunca morreu. A afinidade da revendedora de livros raros Ashlyn Greer com os livros vai além do cheiro inebriante de papel velho, de tinta e de couro. Ela pode sentir os ecos dos antigos proprietários dos livros uma impressão digital emocional que só ela consegue ler. Quando Ashlyn descobre dois volumes belamente encadernados que parecem nunca ter sido publicados, seu dom logo se torna uma obsessão. Não apenas cada um está marcado com uma acusação surpreendente, mas os autores, Hemi e Belle, contam lados conflitantes de um romance trágico. Sem nenhum vestígio de como esses livros misteriosos vieram ao mundo, Ashlyn é envolvida em um mistério literário de décadas, atraída por dois corações em ruínas, quem quer que tenham sido, onde quer que estejam. Determinada a descobrir a verdade por trás da história dos amantes condenados, ela continua lendo, seguindo uma trilha de promessas quebradas e traições aparentemente imperdoáveis. Quanto mais Ashlyn aprende

sobre Hemi e Belle, mais perto ela chega de encerrar a história de amor deles e dos capítulos inacabados de sua própria vida. Finalista do Goodreads Choice Award 2023!

VIDAS VINCULADAS A TRAGEDIA - SEGUNDO LIVRO - MEIO

Revista Trip. Um olhar criativo para a diversidade, em reportagens de comportamento, esportes de prancha, cultura pop, viagens, além dos ensaios de Trip Girl e grandes entrevistas

Trip

Primeiro livro de Victor Hugo Mendes (VHM), o conhecido apresentador malanjino da Televisão Pública de Angola, com 93 capítulos (ou pensamentos) em memória do pai e irmão vítimas de cancro. Um grito de esperança para pessoas sofridas, como o próprio VHM, que não perde o sorriso e postura positiva, revelando o/s segredo/s neste livro de bolso onde incentiva a aceitar o bem e o mal, e a avançar na vida com a mesma vontade, força e determinação. Um livro sábio, de entreajuda, prefaciado pela escritora angolana Teresa Guerra.

O meu livro de pensamentos

Pietro é um garoto com um senso de humor um pouco alto, em comparação a tudo que ele viveu, é de se estranhar o humor dele em certas situações. Mas as coisas começaram a mudar depois que ele descobriu não pertencer a raça humana comum, mas sim que ele faz parte de um mundo sobrenatural que ele não sabia que existia antes. Foi em meio a esse novo mundo que ele conheceu o Maicon, um garoto recém chegado a cidade, da qual ele se apaixona e depois descobre um segredo que pode fazer as coisas ruírem e não saírem como pensou que sairia. Pietro esta no meio de uma guerra entre clãs, que estão em busca do poder do ultimo lobo branco, mal sabia ele que esse ultimo lobo, estava em sua família.

Amor Selvagem - Livro 1

Montoya, um ex-atleta olímpico tetraplégico começa o tratamento fisioterápico que mudará o rumo de sua vida. Rico e hábil na arte da escrita, ele permanece conectado ao mundo através do computador acionado pelo que lhe resta de movimentos em um dos dedos da mão direita. A deficiência motora avança por um lado, e os sentidos se aguçam por outro. O corpo paralisado torna-se hipersensível, a ponto de interpretar, pela natureza do toque, os sentimentos ocultos da fisioterapeuta. Fascinado, ele mergulha fundo nesse universo redentor, tentando passar a ela uma energia que ele imagina receber de volta com a mesma intensidade erótica. Inicia-se um assédio virtual que dá origem a essa comovente história sobre a relação umbilical entre o poder da fantasia e o irresistível apelo da transgressão.

Desesperadamente vivo

Já vou logo avisando que se você for alérgico a mudanças, PESQUISE OUTRO LIVRO! Caso contrário, sofrerá uma overdose de transformações. Clichê? Talvez. De qualquer forma, achei tendência! A gente copia mas não faz igual; segundo Austin Clean, é só saber “roubar como um artista”. Chega de papo furado e veja um pouco do livro.

Por que você mente e eu acredito?

Com os pés balançando, eu me via sentado dia após dia no banco de cimento em frente a escola Ione Silveira Mendes aguardo o sinal tocar. Neste município encantado, eu crescia sendo quase uma pessoa invisível, exceto pelos olhos da minha amada. Se você já teve a oportunidade de contemplar os bravos mares em sua fúria, entenderá o que eu sentia ao ver aquele par de olhos azuis a me fitar. Foi assim que me apaixonei pela primeira vez! Na época do ensino médio eu me via preso a um amor impossível, repleto de competições, intrigas e desencontros. Eu tinha certeza que não nascerá para viver a plenitude do amor e gozar de uma vida calma e feliz, mas minha concepção mudou quando Marcinha me roubou um beijo e depois fugiu. Eu fiquei enlouquecido, não sabia o que fazer, eu só queria aquela garota para mim. Como uma sina, eu devia roubá-la de seu namorado. Mas o que eu não sabia era que nada seria tão fácil assim e que muitas águas iriam rolar. Mal sabia que minha vida teria tantas reviravoltas e que meu fim seria tão trágico. O amor que senti por esta garota, hoje mulher, foi tudo de melhor que eu pude experimentar na vida. Tudo aconteceu sem que eu imaginasse,

o destino brincou comigo em todos os sentidos, e antes de partir eu precisei registrar este romance e mostrar que os sonhos são possíveis.

Raio de Sol

Uma nova edição de Não pise no meu vazio, sucesso da mesma autora de A gente mira no amor e acerta na solidão. "Este é um livro escrito por gente. Gente de verdade. Gente incompleta, que se descompleta a todo instante no contato com o outro. Gente que frequenta o feminino e tem intimidade com o real. É um livro sobre excessos, sobre faltas, sobre o vaivém da vida, sobre o amor, o ódio e a dor... É um livro que acolhe o vazio com carinho, como condição necessária e fundamental da existência" – RITA MANSO, psicanalista. "Com uma linguagem simples e profunda, cotidiana e inédita, leve e marcante, pontilhada e bem contornada, os poemas de Ana Suy percorrem caminhos sobre o que preenche, o que esvazia e o que preenche e esvazia a alma ao mesmo tempo" – DANIELLE BARRIQUELLO, psicóloga.

Asas Do Amor

TIFFANY 90 A noiva do guerreiro do deserto ia ser necessário muito fogo para derreter o frio coração do seu marido. Para Layla, a princesa de Tazkhan, o casamento que o pai tinha combinado antes de morrer significava passar o resto da vida cativa e a sofrer a crueldade do marido. Tal perspectiva levou-a a fugir e a entregar-se ao xeque Raz Al Zahki, o maior inimigo da sua família. Raz exigia-lhe uma coisa em troca de a proteger a ela e à irmã. O guerreiro do deserto queria que ninguém pudesse dizer que o seu casamento não era verdadeiro, por esse motivo teriam de partilhar a cama como marido e mulher. Talvez agora Layla estivesse a salvo, mas o seu coração nem por isso... Filho da paixão Tinha de fazer tudo o que ele desejasse... em troca de cinco milhões de dólares! O filho de Kimberly Townsend estava em perigo e a única pessoa que podia ajudá-lo era o seu pai, o milionário Luc Santoro. Luc nem sequer sabia que tinha um filho e acreditava que Kimberly não passava de uma caçadora de fortunas. No entanto, o lindíssimo magnata brasileiro estava disposto a dar-lhe o dinheiro de que precisava... desde que se tornasse sua amante. Contudo, Kimberly já não era a rapariguinha inocente que ele conhecera há sete anos... e ia fazer com que perdesse o controlo de um modo que jamais imaginara.

O livro de oraç o commum

Marianne March sempre soube que Julianne, sua irmã gêmea, era irresponsável e aventureira, estava sempre se enfiando em confusões, mas assinar um contrato de emprego com uma multa absurda e sumir com o namorado era demais até para ela. Jurando para si mesma que essa seria a última vez que ajudaria a irmã, Marianne se passou por Julianne e assumiu seu lugar na isolada colina, porém a experiência se revelou assustadora. As cicatrizes físicas de Javier Ruiz não eram mais profundas do que as que ele carregava na alma, mas eram as responsáveis por seu isolamento na velha casa da colina. Ele não queria ver ninguém nem falar com ninguém, tudo que precisava era de alguém que cuidasse da casa, da correspondência e das compras, mas sabia que exigir que alguém se isole com ele não sairia barato, por isso a multa tão alta na quebra do contrato. Julianne March assinou o contrato e ele esperava por ela, um tanto angustiado. Agora, ela teria que passar um ano na casa da colina, cuidando de tudo.

O Livro de Oração Commum, etc

Poderia expiar os pecados da irmã casando-se com Luciano. O único laço de Jemima Barber com a sua irmã gêmea, uma sedutora dissimulada e astuta, que tinha morrido, era o seu sobrinho. Quando o pai do bebê irrompeu nas suas vidas para reivindicar a criança, que tinha sido roubada, Jemima deixou que pensasse que era a irmã para não se separar do menino. Embora a mãe do seu filho fosse mais doce do que Luciano Vitale esperara, estava determinado a fazê-la pagar pela sua traição da forma mais agradável possível. Mas, quando descobriu que era virgem, o segredo de Jemima foi desvendado.

Não pise no meu vazio

O jovem Marcello, de 21 anos, tem tudo: Uma vida tranquila, dois melhores amigos, está cursando o último ano em uma boa faculdade e está de casamento marcado com sua bela noiva, Amanda. Tudo corre bem na vida de Marcello de uma maneira que ele nunca havia imaginado após um grave acidente que o marcou no passado. Entretanto, a chegada de um rapaz misterioso e cheio de segredos

na cidade, pode ameaçar tudo o que Marcello construiu até o momento. Principalmente quando ele descobre que este rapaz faz parte do passado de sua noiva; um passado que até então ele desconhecia. A cidade enfrenta uma onda terrível de mortes e vários acontecimentos inexplicáveis que parecem desafiar a sanidade de todos. Marcello e seus amigos se veem obrigados a se defender de um mal que desconhecem para salvar não só a vida deles, mas de toda a cidade. Repleto de suspense, drama e romance, Até que a morte nos separe abre as portas para o sobrenatural, além de trilhar os caminhos do amor, sucumbir a desejos e demonstrar a verdadeira força da amizade.

A noiva do guerreiro do deserto - Filho da paixão

Suicídio inconsciente é tema de reduzida abordagem, para não dizer quase inexistente na literatura. Mas... o que seria suicídio inconsciente? Mesmo sem a intenção premeditada de morrer, com nosso modo de viver, alimentando vícios e atitudes menos dignas, não valorizando os recursos que a Providência Divina nos concede para uma vida honrada, malbaratamos a saúde e concorremos para nossa deserção da vida. E haveremos de sofrer as consequências que esse fato acarreta. Alimentação, sono, saúde preventiva, bons hábitos, consciência do valor da reencarnação, tudo isso e muito mais o autor nos apresenta para que possamos fazer uma análise aprofundada de nossa conduta. Muito bem embasado em autores sérios e respeitáveis, como Joanna de Ângelis por Divaldo P. Franco, Léon Denis, Camille Flammarion, Allan Kardec, Emmanuel e André Luiz por Chico Xavier e outros, essa pesquisa, de Edson Ramos de Siqueira, certamente merecerá um lugar de destaque na literatura espírita.

A Casa da Colina

Falar sobre transtornos mentais e em especial sobre o Transtorno Afetivo Bipolar de Humor (TABH) não é tarefa fácil, pois a mente humana é bastante complexa e exige-se certo conhecimento para que o diagnóstico seja efetivamente correto. Atualmente, o TABH, conhecido antes na literatura médica como Psicose Maníaco-Depressiva (PMD), atinge cerca de 1% da população mundial, uma quantidade considerável de pessoas que têm seu humor oscilando entre a depressão e a euforia. O "bipolar" é uma pessoa que, em algum momento de sua vida, por questões genéticas ou ambientais, deixa de produzir em seu cérebro os hormônios serotonina e endorfina, neurotransmissores essenciais que produzem a sensação de bem-estar e que proporcionam conforto e estabilidade emocional. Pessoas portadoras do transtorno sofrem uma instabilidade emocional sem precedentes, pois, de uma hora para outra, seu humor oscila, o que muitas vezes pode deixá-las apáticas, sem vontade de fazer nada (inclusive de viver), e podem entrar em um estado depressivo e atentar contra a própria vida. Ser portador de TABH não é sinônimo de loucura ou qualquer outro conceito pejorativo. Pelo contrário, "bipolares" são, em sua essência, criativos, inteligentes e dominam certos dons que os "não bipolares" têm, mas é de fundamental importância que sejam efetivamente controlados com medicamentos e terapia. Dessa forma, e com o apoio de toda uma estrutura familiar, a doença pode ser controlada e, em alguns casos severos, em que não ocorram os "delírios e alucinações".

Filho roubado

Bruno Littlemore é diferente de qualquer outro chimpanzé do mundo. Precoce e com uma inteligência acima da média, o jovem Bruno, nascido no zoológico de Chicago, é logo transportado a um laboratório, onde fica sob os cuidados de uma eminente primatóloga chamada Lydia Littlemore. Ao descobrir o talento único de Bruno, Lydia o leva para a própria casa a fim de supervisionar sua educação e permitir que o animal desenvolva sua paixão por artes plásticas. Porém, apesar de todos os dons de Bruno, o chimpanzé tem dificuldade em enjaular seus instintos mais primitivos. As explosões intempestivas de Bruno acabam por custar a Lydia seu emprego e lançam o improvável casal em uma inesquecível jornada – e em uma comovente história de amor. Em A evolução de Bruno Littlemore, Benjamin Hale apresenta uma inventiva história de amadurecimento que alterna comicidade, violência, desolação e perversidade. Animais falantes são velhos contadores de histórias, mas a autobiografia ficcional de Bruno vai além da brilhante e surpreendente expressão do que significa ser humano. Trata-se, afinal, de um romance sobre encontrar a própria voz, e sustentá-la. “Um livro extremamente prazeroso, recheado de alusões e filosofia.” The New York Times Book Review “Um extraordinário e exuberante espelho para a humanidade.” Booklist “Bruno é inteligente, malicioso e irônico, e é um prazer acompanhar seus pensamentos e reflexões.” Kirkus Reviews

O Festim dos Imortais: Até que a morte nos separe (Livro 1)

TUDO O QUE VOCÊ PRECISA SABER SOBRE ARQUÉTIPOS, MITOLOGIA DE MARCAS E CONSUMO SIMBÓLICO! Os arquétipos já se provaram ferramentas poderosíssimas quando associadas ao marketing e ao branding. Os símbolos primordiais são suporte para uma comunicação assertiva direcionada para um público específico, além de nutrir comunidades em torno das marcas, sejam corporativas ou pessoais, tornando consumidores em fãs apaixonados. Neste manual você vai encontrar o passo a passo de como utilizar os arquétipos de forma estratégica, qual o que melhor se adequa a sua marca e como usar o seu material simbólico, onírico e mitológico, para criar um universo de marca consistente e uma imagem influente.

Suicídio inconsciente

A mente humana é tão ou mais enigmática que o próprio cosmos. E nós, talvez, não saibamos decifrar esse fenômeno com a devida clareza, pois aquela nuvem sombria sempre nos embaça a razão. Tormento, por sua vez, narra a trajetória de um homem que, em virtude de uma deficiência física congênita — embora isso se caracterize por um sinal irrelevante e quase imperceptível —, sente o receio mudo da sociedade, tem seu comportamento alterado, cria e dá vida a um mundo particular sombrio e perigoso, no qual submerge cada vez mais fundo, mesclando, a seu bel-prazer, realidade e ilusão, muitas vezes sem ter noção de onde uma começa e onde a outra termina. Dissimulação, talvez? Até um certo ponto, pode ser. Que o diga o investigador Villaverde, um policial experiente e equilibrado, bastante hábil e metódico na arte de penetrar fundo e dissecar a alma humana, que tenta desvendar os pormenores dos casos do protagonista da obra. Mas, afinal de contas, quais limites, nós, humanos, traçamos para nós mesmos? Será possível que nos conhecemos e nos entendemos o suficiente, além da simples contemplação estrábica diante do espelho, para adquirirmos discernimento, a fim de policiarmos os nossos atos? A verdade incontestável é que, quando se pode adentrar tanto no mundo concreto quanto no mundo da fantasia pela mesma porta, um terreno arriscado se estabelece, um Tormento toma forma.

Vi, Vivi e Sobrevivi

Português e redação: guia completo para você gabaritar. 12 exercícios do Enem2019. Edição atualizada. Inspire-se! Redações nota máxima do Enem!

O Novo Testamento isto he Todos os Livros do Novo Concerto do nosso fiel Senhor e Redemptor Jesu Christo. Tradúzido ... pelo Reverendo Padre João Ferreira a d'Almeida. (Segunda impressão.)

História e memória desempenham papel fundamental no processo de construção das identidades nacionais. Os textos desta coletânea tratam das multifacetadas relações entre ensino de história, políticas públicas e discursos históricos. Em concordância com os atuais debates historiográficos brasileiros, Memória e identidade nacional é leitura obrigatória para todos os interessados no tema.

Revista

Poemas para quem gosta de falar da forma que ninguém mais fala hoje em dia. Um apanhado dos melhores poemas de RSCalvino.

A evolução de Bruno Littlemore

VOCÊ TEM FOME DE QUÊ? Passou o Dia dos Namorados sozinha? Devore uma barra de chocolate! Levou uma bronca do chefe? Peça uma pizza portuguesa no capricho. Bateu aquela depressão depois de brigar com a melhor amiga? Nada melhor que um imenso pedaço de bolo de chocolate mergulhado no chantili, acompanhado de um litro de refrigerante, claro. Se você pensa assim, bem-vinda ao clube. Muitas pessoas acham que comer muito, se não é a melhor solução para enfrentar essas e outras agruras da vida, ajuda um bocado. Só que quando sobem na balança ou se esforçam em vão para entrar naquela calça jeans preferida, tudo o que conseguem é mais frustração. Mas há outra opção para quem costuma se refugiar da tristeza mergulhando nas calorias. Lysa TerKeurst mostra que é possível saciar toda essa gula com um alimento diferente e muito mais eficiente: o espiritual. Em Abra o coração e feche a geladeira, a autora explica que a intimidade com Deus é a melhor maneira de substituir a fome excessiva e ajudar no desenvolvimento da autoestima. Para não ter de brigar com seu corpo, aprenda neste livro a viver em paz de espírito.

Símbolos de Poder

O livro narra testemunhos de vivências do casal, sendo analisada através de textos sobre as teorias das cores do amor, surgida na década de 70 e proposta pelo sociólogo Jhon Lee. O texto também possui pinceladas do entendimento do amor proveniente da filosofia de Aristóteles e Platão, com citações e releituras de Clovis de Barros.

Tormento

A saga de Joaquim Silva se inicia a partir da limitada vida de um cidadão de classe trabalhadora. O personagem principal é um escritor que assume a narração da sua história de vida que o conduz a grandes realizações. Tendo o Prêmio Nobel de Literatura como foco antes mesmo de ter a literatura como profissão, Joaquim - impulsionado pelos amigos - sonha um dia em ser galardoado com este prêmio. A trama discorre sobre um panorama contemporâneo. E o protagonista tem de enfrentar todas as dificuldades relacionadas à ascensão de classe, que nas entrelinhas significa tornar-se um homem importante, capacitando-o a ser alguém digno de premiação . Entre os opostos: conquistas e perdas, acertos e tropeços, sorte e azar, ilusões e decepções; compõe-se a vida do nosso herói. Apresentando assim uma história de vida, que como qualquer outra, merece ser lida e compreendida.
